

## WOODLAND GARDEN

- \*Bergenia (Bergenia sp.)
- \*Bleeding Heart (Dicentra spectabilis)
  - Bugbane (Cimicifuga racemosa)
  - Foamflower (Tiarella cordifolia)
- \*Forget-me-not (Myosotis sylvatica)
- \*Jacob's Ladder (Polemonium caeruleum)
- Lobelia (not L. cardinalis) (Lobelia sp.)
- Lungwort (Pulmonaria sp.)
- Ostrich Fern (Struthiopteris)
- Spiderwort (Tradescantia sp.)
- Sweet Woodruff (Galium odoratum)
- Wood Fern (Dryopteris marginalis)

## SUNNY GARDEN

- \*Balloon Flower (Platycodon grandiflorus)
- Basket-of-Gold (Aurinia saxatilis)
- Blue Fescue (Festuca ovina var. glauca)
- Blue Salvia (Salvia farinacea)
- Canna (Canna hybrids)
- Common Thrift (Armeria maritima)
- Cosmos (Cosmos hybrids)
- Dahlia (Dahlia sp.)
- Dame's Rocket (Hesperis matronalis)
- Dusty Miller (Senecio cineraria)
- Evening Primrose (Oenothera sp.)
- Flowering Tobacco (Nicotiana glauca)
- Fountain Grass (Pennisetum alopecuroides)
- Four-O'Clocks (Mirabilis jalapa)
- Garden Phlox (Phlox paniculata)
- \*Gas Plant (Dictamnus albus)
- \*Geranium (Geranium sp.)
- Gerbera (Gerbera jamesonii)
- Heather (Calluna sp.)
- Hyacinth (Hyacinthus orientalis)
- Lamb's Ears (Stachys byzantina)
- Lavender (Lavandula sp.)
- Marigold (Tagetes sp.)
- Maiden Grass (Miscanthus sinensis)
- Nasturtium (Tropaeolum majus)
- Obedient Plant (Physostegia virginiana)
- \*Ornamental Onion (Allium sp.)
- Rose Campion (Lychnis coronaria)
- Scented Geraniums (Pelargonium sp.)
- \*Spike Gayfeather (Liatris spicata)
- Sundrops (Oenothera tetragona)

## SUNNY FALL GARDEN

- \*Coneflower (Rudbeckia sp.)
- Feather Reed Grass (Calamagrostis x acutiflora 'Karl Foerster')
- Fountain Grass (Pennisetum alopecuroides)
- Maiden Grass (Miscanthus sinensis)
- Obedient Plant (Physostegia virginiana)
- Purple Coneflower (Echinacea angustifolia)
- Russian Sage (Perovskia atriplicifolia)
- \*Spike Gayfeather (Liatris spicata)

## SHADY ENTRY GARDEN

- \*Astilbe (Astilbe sp.)
- \*Bleeding Heart (Dicentra spectabilis)
- Foamflower (Tiarella cordifolia)

## WET AREA GARDEN

- \*Astilbe (Astilbe sp.)
- \*Bee Balm (Monarda didyma)
- \*Bergenia (Bergenia sp.)
- \*Forget-me-not (Myosotis sylvatica)
- \*Goatsbeard (Aruncus dioicus)
- \*Iris (Iris sp.)
- \*Lobelia (Lobelia sp.)
- Lungwort (Pulmonaria sp.)
- Obedient Plant (Physostegia virginiana)
- \*Primrose (most) (Primula sp.)
- Ribbon Grass (Phalaris arundinacea 'Picta')
- Sedge (Carex alata)
- Spiderwort (Tradescantia sp.)
- Sweet Woodruff (Galium odoratum)
- \*Turtlehead (Chelone sp.)

## ORNAMENTAL GRASSES

- Feather Reed Grass (Calamagrostis)
- Blue Fescue Grass (Festuca glauca)
- Flame Grass (Miscanthus)

## VINES

- American Bittersweet (Celastrus)
- Virginia Creeper (Parthenocissus)
- Grape (Vitis)

## EVERGREEN TREES

- Colorado Blue Spruce (Picea pungens glauca)
- Juniper (Juniperus chinensis)
- Pines (Pinus sp.)
- \*Scots Pine (Pinus sylvestris)
- Swiss Stone Pine (Pinus cembra)
- White Spruce (Picea glauca)

## EVERGREEN SHRUBS

- Boxwood (Buxus)
- Mugho Pine (Pinus mugol)
- Juniper (Juniperus)
- Bearberry (Arctostaphylos uva-ursi)
- Daphne (Daphne sp.)

## DECIDUOUS SHRUBS

- \*Forsythia (Forsythia sp.)
- \*Lilac (Syringa vulgaris)
- \*Potentilla (Potentilla fruticosa)
- Cotoneaster (Cotoneaster)
- Barberry (Berberis)
- Elderberry (Sambucus)
- Viburnum (Viburnum)
- Weigela (Weigela Florida)

## DECIDUOUS TREES

- Birch (Betula sp.)
- Green Ash (Fraxinus)
- Hawthorn (Crataegus)
- \*Larch (Larix)
- Locust (Gledistia)
- Paper Birch (Betula papyrifera)

## PLANTS THAT ARE DEER FAVOURITES

The following is a list of plants that are sometimes or often eaten by deer. However, it should be noted that favourite plants in one area may be left untouched in another.

- Clematis
- Cranesbill geranium
- Crocus
- Daylily
- Echinacea spp.
- Hollyhock
- Hosta
- Iris
- Lily
- Meadow rue
- Rudebeckia
- Peony
- Phlox
- Rose
- Sedum
- Tulip

Prestige Select Plants

### Trees and Shrubs:

- Apple
- Cherry
- Clematis
- Dogwood
- Cedars

\* Indicates moderately resistant plants, others are very resistant.

# Deer Resistant Plants

If you live in an area frequented by deer, gardening can be a challenge. Planting deer resistant plants may help discourage them from taking a free breakfast from your yard.

Landscaping with deer resistant plants will end up being the most aesthetically pleasing way to combat the deer damage problem, as there is no fence to block views or get in the way, or no repellent you have to continually buy and apply all over your landscape or garden.

A perennial, shrub, tree or evergreen can be deer resistant due to several reasons. There are few plants that are entirely 100% deer resistant. Anytime you see the phrase resistant attached to garden plants it means less likely. It doesn't mean a plant won't be attacked or eaten just that the chances are reduced. The plants listed here are less appealing to deer, however if they are starving they may still decide to eat them. Factors that influence whether a plant is deer resistant and how much:

- Taste of the plant, if the deer are really hungry, they will eat some shrubs they don't prefer.
- Digestibility of the plant will vary with shrub age, growth stage and time of year. Some plants can only be eaten by deer when they have new young shoots growing in the spring-time.
- Plant toxicity to deer, it can be poisonous to them, some at some point during the plants growth stage, and some of the most deer resistant plants are poisonous at all growth stages.

Deer repelling plants can be planted amongst your other plants, or around the perimeter of your landscape. Just remember that if you have a lawn in front of your house with flower beds, with no fence, then you will have to mix the deer repelling plants with your other plants for any effect. The deer repelling plants must number 40% or more of your plants to have any significant effect.

## BUTTERFLY AND HUMMINGBIRD GARDEN

- \*Bee Balm (Monarda didyma)
- \*Blanket Flower (Gaillardia pulchella)
- \*Butterfly-bush (Buddleia davidii)
- \*Butterfly Weed (Asclepias tuberosa)
- \*Coneflower (Rudbeckia sp.)
- Fountain Grass (Pennisetum alopecuroides)
- Garden Phlox (Phlox paniculata)
- Goldenrod (Solidago sp.)
- Lavender (Lavandula sp.)
- Mint (Mentha sp.)
- \*Oregano (Origanum sp.)
- Purple Coneflower (Echinacea angustifolia)
- \*Rosemary (Rosmarinus officinalis)
- \*Spike Gayfeather (Liatris spicata)
- \*Threadleaf Coreopsis (Coreopsis verticillata)
- Yarrow (Achillea sp.)

## CUT FLOWER GARDEN

- \*Baby's Breath (Gypsophila paniculata)
- \*Bee Balm (Monarda didyma)
- \*Blanket Flower (Gaillardia pulchella)
- Blue Salvia (Salvia farinacea)
- \*Butterfly-bush (Buddleia davidii)
- \*Chrysanthemum (Chrysanthemum sp.)
- \*Coneflower (Rudbeckia sp.)
- Daffodil (Narcissus sp.)
- Foxglove (Digitalis sp.)
- Icelandic Poppy (Papaver nudicaule)
- Iris (Iris sp.)
- Larkspur (Consolida ambigua)
- Lavender (Lavandula sp.)
- \*Oriental Poppy (Papaver orientale)
- \*Peony (Paeonia sp.)
- Purple Coneflower (Echinacea angustifolia)
- \*Spike Gayfeather (Liatris spicata)
- Statice (Limonium latifolium)
- \*Threadleaf Coreopsis (Coreopsis verticillata)
- Veronica (Veronica sp.)
- \*Yarrow (Achillea sp.)

## DRY BORDERS

- \*Blanket Flower (Gaillardia pulchella)
- Blue Flax (Linum perenne)
- \*Butterfly-bush (Buddleia davidii)
- \*Butterfly Weed (Asclepias tuberosa)
- \*Coneflower (Rudbeckia sp.)
- \*Daylily cultivar (Hemerocallis 'Stella d'Oro')
- \*Evening Primrose (Oenothera sp.)

- Fountain Grass (Pennisetum)
- Globe Thistle (Echinops sp.)
- Hen and Chickens (Sempervivum sp. (spiny ones))
- Lamb's Ears (Stachys byzantina)
- Lavender (Lavandula sp.)
- Lavender Cotton (Santolina chamaecyparissus)
- Purple Coneflower (Echinacea angustifolia)
- Rose Champion (Lychnis coronaria)
- Russian Sage (Perovskia atriplicifolia)
- \*Spike Gayfeather (Liatris spicata)
- Spurge (Euphorbia sp.)
- Statice (Limonium latifolium)
- \*Threadleaf Coreopsis (Coreopsis verticillata)
- Wormwood (Artemisia sp.)
- \*Yucca (Yucca sp.)

## HERB GARDEN

- Basil (Ocimum basilicum)
- Catmint (Nepeta catarina)
- Chives (Allium schoenoprasum)
- Dill (Anethum graveolens)
- Garlic Chives (Allium tuberosum)
- Lavender (Lavandula sp.)
- Oregano (Origanum sp.)
- Parsley (Petroselinium crispum)
- Rosemary (Rosmarinus officinalis)
- Savory (Satureja sp.)
- Spearmint (Mentha spicata)
- Thyme (Thymus sp.)
- Wormwood (Artemisia sp.)

## LIGHT SHADE GARDEN

- \*Balloon Flower (Platycodon grandiflorus)
- Bugleweed (Ajuga sp.)
- \*Carpet Bugle (Ajuga reptans)
- Daffodil (Narcissus sp.)
- Fountain Grass (Pennisetum alopecuroides)
- Foxglove (Digitalis sp.)
- Garlic Chives (Allium tuberosum)
- \*Iris (Iris sp.)
- Lady's Mantle (Alchemilla vulgaris)
- Obedient Plant (Physostegia virginiana)
- Spiderwort (Tradescantia sp.)
- Veronica (Veronica sp.)

## SHADY ENTRY GARDEN

- \*Astilbe (Astilbe sp.)
- \*Bleeding Heart (Dicentra spectabilis)
- Foamflower (Tiarella cordifolia)

## ROCKY AREA GARDEN

- Basket-of-Gold (Aurinia saxatilis)
- Bugleweed (Ajuga sp.)
- Carpet Bugle (Ajuga reptans)
- Cinquefoil (Potentilla sp.)
- Evening Primrose (Oenothera sp.)
- Fountain Grass (Pennisetum alopecuroides)
- Rock Cress (Aubrieta deltoidea)
- Spurge (Euphorbia sp.)
- Sundrops (Oenothera tetragona)
- \*Threadleaf Coreopsis (Coreopsis verticillata)
- Foxglove (Digitalis sp.)
- \*Jacob's Ladder (Polemonium caeruleum)
- Japanese Spurge (Pachysandra sp.)
- Lily-of-the-Valley (Convallaria majalis)
- Monkshood (Aconitum sp.)
- Sweet Woodruff (Galium odoratum)
- \*Turtlehead (Chelone sp.)
- Vinca (Vinca minor)
- Veronica (Veronica sp.)
- Wormwood (Artemisia sp.)

## TALL PERENNIALS, ANNUALS, AND BULBS (TO MIX WITH SHRUBS FOR A SCREEN)

- \*Butterfly-bush (Buddleia davidii)
- Feather Reed Grass (Calamagrostis x acutiflora 'Karl Foerster')
- Fountain Grass (Pennisetum alopecuroides)
- \*Goatsbeard (Aruncus dioicus)
- Goldenrod (Solidago sp.)
- Joe-Pye Weed (Eupatorium purpureum)
- Maiden Grass (Miscanthus sinensis)
- \*Rhubarb (Rheum rhabarbarum)
- Russian Sage (Perovskia atriplicifolia)

\* Indicates moderately resistant plants, others are very resistant.
